

Provisional Agenda

Time	Contents	Speakers
8:30-9:00	Registration	
Opening session Facilitator: TBC		
9:00-9:20	Welcome speech from the organizers	<ul style="list-style-type: none"> ● ONEP (TBD) ● MOEJ (TBD) ● AIT (TBD)
9:20-10:00	Key note presentation GCF project development (TBC)	<ul style="list-style-type: none"> ● GCF Secretariat (TBD)
Session 1: Project on facilitation of project development utilizing the Green Climate Fund Facilitator: OECC (TBC) <i>The MOEJ, OECC, and AIT are conducting a project that aims to identify the elements of a paradigm shift and replicability through study groups, review of literature, and surveys to better understand how to formulate next generation GCF projects. The findings will be incorporated in a training programme on developing GCF concept notes. This session will showcase the current outcomes of this project.</i>		
10:00-10:30	Presentation ➤ Background and status of the OECC-AIT project Q&A	<ul style="list-style-type: none"> ● OECC (TBC)
10:30-10:45	Coffee break	
10:45-11:35	Presentation ➤ How accredited entities can ensure a paradigm shift potential in their projects ➤ Insights from training programmes: key challenges in proposal development Q&A	<ul style="list-style-type: none"> ● Accredited Entity ● AIT RRC.AP
11:35-12:35	Presentation ➤ How country programming can trigger a paradigm shift in GCF projects Q&A	<ul style="list-style-type: none"> ● ONEP ● NDA (TBC)
12:35-13:40	Lunch break	
Session 2: Sharing experiences on developing GCF projects Facilitator: Global Environment Centre Foundation (GEC) (TBC) <i>The MOEJ and GEC are supporting countries to develop concept notes in close consultation with NDAs and other key stakeholders. This session is to share experiences and lessons learned in preparing concept notes for the GCF and collect feedback from the workshop participants.</i>		
13:40-13:50	Presentation ➤ Background and progress of the GEC project	<ul style="list-style-type: none"> ● GEC
13:50-14:40	Presentation ➤ Sharing experiences in project development from 2-3 project partners	<ul style="list-style-type: none"> ● Japan Cement Association (JCA) ● DAE Thailand (TBD) ● JFEE Engineering

Time	Contents	Speakers
	Q&A	
14:40-15:40	<p>Panel discussion</p> <ul style="list-style-type: none"> ➤ Guiding questions: <ul style="list-style-type: none"> - What are the motivations to access to GCF? - What are the challenges and lessons learned through the experiences of engaging with the GCF project development? - Any requests or opinions for panelists with different roles (e.g. requests from a project proponent to GCF secretariat/AEs/NDAs)? <p>Q&A</p>	<p>Panelist:</p> <ul style="list-style-type: none"> ● JCA ● Siam Cement ● JFE Engineering ● GCF Secretariat ● ONEP (Thai NDA) ● ADB
15:40-15:55	Coffee break	
<p>Session 3: Next generation projects for the GCF</p> <p>Facilitator: Dr. Kazuhiko Takemoto (OECC)</p> <p><i>A panel discussion will explore key considerations to ensure a paradigm shift, replicability and sustainability in next generation GCF projects.</i></p>		
15:55-16:45	<p>Presentation</p> <ul style="list-style-type: none"> ➤ Setting the context for discussion <p>Panel discussion</p> <ul style="list-style-type: none"> ➤ Guiding questions (tentative): <ul style="list-style-type: none"> - What are the key differences between a paradigm shift and traditional climate change projects? - What should be done to ensure that a paradigm shift or a transformative change induced by a GCF project are sustainable and long-lasting? <p>Q&A</p>	<ul style="list-style-type: none"> ● OECC ● GCF secretariat (TBC) ● NDAs (TBD) ● AEs (TBD) ● Project Proponents (TBD)
16:45-17:00	Closing remarks	<ul style="list-style-type: none"> ● MOEJ ● ONEP
